(ii) Year-on-year changes for net sales, operating income, ordinary income, and net income represent the increase/decrease compared to the same period of the previous year.

#### [The qualitative information on Operating Results (Consolidated)]

The business environment surrounding the company for the 3<sup>rd</sup> quarter has been hard going due to lower demand cycle in North American market following to the 1<sup>st</sup> half-year and the intensified competition with other manufactures in the overseas market. Furthermore, the demand to our products in new bills issuance went down, which was very remarkable in the same quarter of the previous year and caused a decrease of income in the domestic market. As a result, net sales decreased by 21.0 % to ¥24,433 million compared to the same period of the previous year.

Due to sales decrease of highly profitable products, operating income decreased by 45.0% to ¥3,781 million, ordinary income fell down by 43.9% to ¥3,926 million, and net income for this period resulted in ¥2,305 million, down by 44.0% compared to the same quarter of the previous year.
